

THE XENITH® X1™ IS THE OFFICIAL BATTING HELMET OF THE THSBCA

Xenith is proud to be the Official Battering Helmet of the Texas High School Baseball Coaches Association, and will donate a portion of the sale of every helmet to the THSBCA.

By purchasing the X1 for your team, you will be able to show your support of the THSBCA, as each helmet will include the official logo at no additional charge.

The Xenith X1 Battering Helmet features Xenith's patented Adaptive Head Protection®, the same technology used in Xenith's renowned X1 Football Helmet. The X1 provides the best protection available, in a product that looks great and feels great. The X1 has a sleek, traditional appearance, with modern styling and outstanding ventilation and is able to pass the new NOCSAE Standard for baseball and softball battering helmets without the need for an oversized shell.

ADAPTS TO THE HEAD.

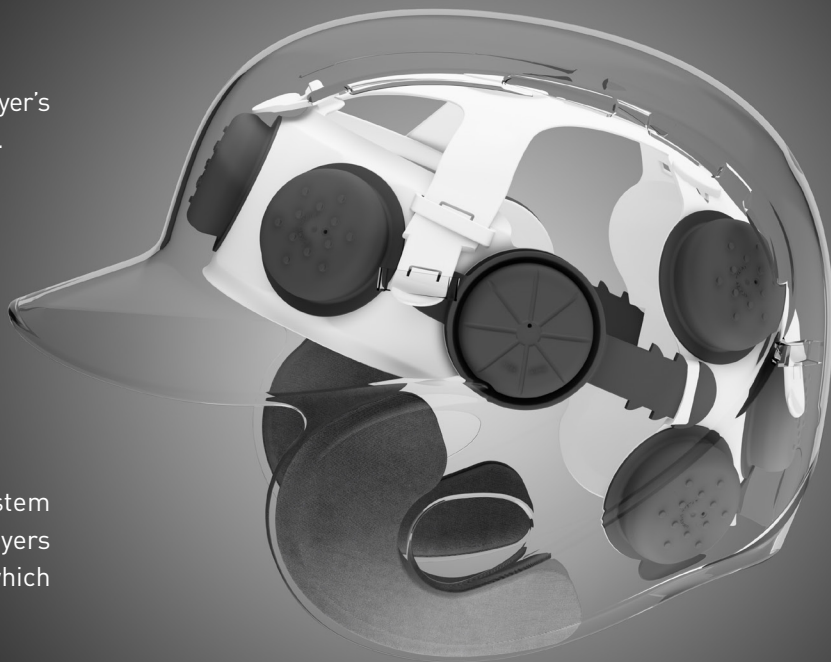

The X1's flexible Fit Seeker® system adapts to the player's head, instantly providing a comfortable and secure fit.

ADAPTS TO THE HIT.

The X1's Aware-Flow® shock absorbers are custom-tuned for specific locations in the helmet, providing optimal protection for baseball and softball players.

KEEPS YOU COOL AND CLEAN.

The X1's unique Shock Bonnet® suspension system allows for greater air circulation, which keeps players cool. Its interior components are antimicrobial, which reduces the spread of lice, mold, and infections.
