

Coaches,

Our Association has had many inquiries from our membership about how we can assist baseball coaches/programs that have been affected by the recent Gulf Coast flooding.

Here is what we can do NOW:

- Any coach who would like to participate can donate at least *one dozen baseballs*. THSBCA is working with Diamond Sports to match our donations made by September 15 on a one-to-one basis.
Please send these to the THSBCA office ASAP:
Rex Sanders
THSBCA
2114 Southwood Drive
College Station, Texas 77840
- Additionally, we will be collecting any usable baseball equipment that you can donate. This equipment will be made available to coaches in need at three distribution points across the affected area on Saturday, October 14.
Please ship to the THSBCA at the above address.
- Finally, we will continue collecting usable equipment through January, and a final distribution will be held at the Waco Convention in January.

THSBCA is furthermore contacting all of our sponsors to request donations of equipment/supplies. We have already received several favorable responses and will continue to work on this avenue of assistance.

We are aware that many of you are volunteering in relief and donating to groups that provide for those in need, and we thank you for that.

As an association, THSBCA's goal is to help those in need and to provide an avenue for you to support baseball coaches and the young people they serve.

Please do whatever you can.

Regards,

Rex Sanders, Executive Director

Texas High School Baseball Coaches Association
